2ND EDITION

A2

Key for
Schools

Engage and motivate students to build the language and skills they need in the classroom, exams and their lives outside school. Educate students about the world around, and allow them to bring their own experience into learning English.

The A2 level, improved and updated for the second edition, works at an elementary level of English, and prepares students for the 2020 version of the A2 Key for Schools exam.

- **Power up** sections stimulate ideas and get students sharing the language they know.
- **Explore grammar, Explore vocabulary** and **Explore language** sections help students with the building blocks of English.
- **Speak up** sections invite students to give their opinion and share their experience of the world.
- **Speaking extra, Listen up, Write on** and **Improve it** sections help students develop and refine their language skills.
- **Exam tips** give students detailed guidance on how to excel in the Cambridge English for Schools exams.
- **Skill tips** give clear, simple advice on how students can develop their language.
- **Switch on** TV clips and **Grammar vox-pops** give students exposure to real spoken English.
- **Projects** develop students' collaboration, creativity, critical thinking and research skills.
- **Independent learning** sections help students become more reflective and self-reliant learners.
- **Review unit** revises core material and gives extra exam practice.

Download the **App** for course audio, video and practice.
